

**North Hampton Heritage Commission
Minutes –October 12, 2000**

The meeting was opened by Jenifer Landman, Chair, at 10 am. Also present were: Jane Meneghin, Pat Meyers, Barbara Hobby, Anna Pike, Priscilla Leavitt, Robert Southworth and Pamela Schwotzer.

Jenifer passed out the agenda, and discussion proceeded as follows:

Minutes for October 5th were read and approved.

Donation commitments to date are: Hampton Rotary Club: \$1000; Town \$2000; Selectmen \$500; No. Hampton Business Assn. \$200; LBH Heritage Commission \$450 (possibly); New Hampshire Preservation Alliance \$1500, North Hampton Heritage Commission \$450 for a total of \$6100.

Printing: PIP is the lowest bid we have, but old (\$4464). Kinko's is not interested. TXC is higher than Color Craftsman. Color Craftsman will discount to us if we put their logo on the back, but they're still high. What is Lisa's charge? Perhaps \$500-\$1000. Susannah is doing the layout, so Lisa won't have to. We may be \$100-\$1000 short on funds, although the Conservation Commission may also give some. We expect to print 2500 copies.

Robert Southworth asked for a typed list of all costs, with variables.

Jenifer has done a news release for the Hampton Union and Portsmouth Herald.

Cover and inside page: a jumble-style of photos was selected, 1 of each area with a label. Inside the cover will be the caveats, list of 3 groups publishing (Sources), credits to include Lisa. The copyright will list 3 groups also. There will also be credits on the last page.

(Pam Schwotzer left the meeting at this point and further minutes were taken by Jenifer Landman.)

North Hill: Jane will edit and e-mail to Susannah. We selected the photos and Jenny will Federal Express to Susannah.

Little Boar's Head: Bob and Pam exchanged edits. Pam will take Bob's suggestions back to LBH and meet with us at the next meeting, October 26th.
